- adhere to related procedures and regulations regarding reasonable adjustments to assessment and special consideration
- ensure buildings and assessment sites used for delivery and assessment are accessible to all candidates, as far as is practicable
- request permission for the implementation of specific adjustments from the awarding body where required

Procedure for Access Arrangements

Stage 1:

The School evaluates and identifies the need for the implementation of access arrangements due to a candidate's particular requirements where a candidate reports the request to the tutor/assessor or where it is identified via other acceptable means. At this stage, the candidate must provide all necessary evidence (medical evidence/certification, diagnostic test results, a statement from the invigilator/tutor/assessor or any other appropriate information) to demonstrate the condition or reason(s) affecting his/her performance.

Stage 2:

The tutor/assessor communicates the request to the qualification-specific quality coordinator (QC), who checks the candidate's eligibility. The QC collates all evidence required and helps the candidate to make the application for reasonable adjustments/special consideration.

Stage 3:

If access arrangements as requested by the candidate are not appropriate and the application is rejected by the School, other alternatives will be suggested, where required. If the application for access arrangements is accepted, the decision is communicated to all personnel involved in the delivery and/or assessment and arrangements are made as soon as practicable to assist the candidate.

Stage 4:

Monitoring of the eligibility of decisions made, outcomes of the applications and effectiveness of the procedure is conducted via the established schools procedure. The QC will ensure that the candidate.

All records relating to the application, relevant evidence and monitoring forms are securely retained for five years.
