

The curriculum model for
Bishop Walsh Catholic School 2017-18

KEY IDEAS FOR 2016-17

KEY POINTS.

Our curriculum structure maintains;

A continued focus maximising curriculum time on the core subject areas.

Choice– Giving pupils a free choice in options in year 9.

An effective differentiation strategy built into the science curriculum with the top 90 pupil studying the three separate sciences; the next forty five pupils studying the Trilogy course, which has the equivalency of two GCSEs and W3 studying GCSE Biology.
