WEEK A	W.B. 7 TH MAY
WEEK B	W.B. 14 TH MAY

This is the first year in which we will be running a two week revision schedule. The key objective of this initiative is to help pupils ensure they attend as many revision sessions as possible. Due to the fact that there are more subjects than after-school session slots, your child may not be able to attend all of the revision sessions available to them. If this is the case I strongly recommend that your child attends the revision session for the subject which they need to improve in most. This will become clearer once the year 11 mock examination results become available after Christmas.

You will notice that the subject areas with the most coursework, namely Art, Fashion, Design Technology and Child Development will kindly be running coursework sessions on Mondays, Wednesday and Thursdays; and in the case of Fashion and Design Technology every Friday as well. I am most grateful to Mrs Hornby Walsh, Mr Taylor, Mrs Tack and Mrs Nash for this. By doing this pupils who study these subjects will be able to choose
