

Summer 2018

Post Results Services are available to students sitting GCSE, GCE (A-Level), Principal Learning and Projects (including Extended Project). Students who have not achieved results that were expected of them may wish to pursue an Enquiry About Results (EAR).

Please note an EAR may result in the grade either being confirmed as correct, being raised or lowered.

Awarding bodies issued the following statement last year which candidates should bear in mind if requesting a review of marking:

This is a post-results review of the original marking to ensure that the agreed mark scheme has been applied correctly. It is not a re-marking of the candidate's script. The awarding body will have trained its reviewers to conduct reviews of marking accurately and consistently. Reviewers will not re-mark the script.

If you wish to enquire about your results, please speak to your subject teacher first to determine your best options.

The following services are available:

- Access to Scripts: Photocopy (ATSC) or Original Copy (ATSO)
- Clerical re-check (EAR1)
- Post-results review of marking (EAR2)
- Post-results **PRIORITY** review of marking: Available to GCE A-Level (where a university place is dependent on the outcome) and GCSE (Edexcel) students only.

Please note all Year 11 and Year 13 leavers may have been removed from ParentPay. If you have requested for a Post Result Service and no longer appear on Parentpay, you can pay by cheque made payable to John Paul II Multi Academy.

Fees shown are per candidate – per component/paper/unit. If the exam taken had more than one paper, the cost will cover one paper only. Students must make clear which paper they wish to have reviewed.

To apply please click on the relevant form(s) and return to the Exams Office by the deadline(s) provided. All details must be filled out correctly and students **must** sign to provide consent. No application for any of the services can be made without the students consent.
