September 2018 – July 2019

# Homework Policy 2018-19

Below is a copy of the homework timetable for 2018-19. This homework timetable sets out when colleagues are expected to set homework. It is important to set homework in accordance with the timetable to avoid a pupil being set either too much or too little homework each day.

---

## **Key Points**

- Each piece of homework should last approximately half an hour.

Year 7 pupils should spend between one and a half and two hours completing homework each day.

Year 8 pupils should spend between one and a half to two hours completing homework each day.

Year 9 pupils should spend between two hours to two and a half hours completing homework each day.

Year 10 pupils should spend between two hours to two and a half hours completing homework each day.

Year 11 pupils should spend between two to two and a half hours completing homework each day.

- Most, but not all homework will be written: some will be learning, some reading and some of a practical nature.
- Sanctions must be given to a pupil failing to complete and bring in homework. In the first instance, this should take the form of a break or lunchtime / after school detention. Pupils who continue not to complete homework should then receive a HOD after school detention. Continued refusal to complete homework will result in a pupil receiving an SLT Friday night detention. Failure to complete homework in more than one subject will result in a pupil being placed on report by their Head of Year.
- Pupils must write HWK / homework at the top of a piece of written work.
- Written homework should be marked in accordance with the school's marking policy. Parents are aware of the fact that pupils' book will be marked every two weeks.

## **THE NUMBER OF HOMEWORKS SET EACH WEEK.**

Pupils in year 7 should be set two sessions of homework in the core subjects of English, Science and Mathematics and one piece in all other subjects.

Pupils in year 8 should be set two sessions of homework in the core subject of English, Science and Mathematics and one piece in all other subjects.

Pupils in year 9 should be set three sessions of homework in English and Mathematics, two in the core subjects of Science, Religious Education two pieces in the three options subjects.

Pupils in year 10 will be set three sessions of homework in English. All pupils will be set three pieces of Mathematics homework. Two pieces of Biology, Chemistry and Physics homework will be set for pupils in science. Two pieces of RE homework will be set for all classes. Two sessions of homework should be set for options subjects each week.

Pupils in year 11 will be set three sessions of homework in English. All pupils will be set three pieces of Mathematics homework. Two pieces of Biology, Chemistry and Physics homework will be set for pupils studying the three separate or trilogy. Pupils in W3 will be set five pieces of Science homework. Two sessions of homework will be set for options subjects each week.

Please note: A pupil may be in different groups for different subjects, e.g.: 7E2 for English and 7E3 for Maths)
