Henryk Koryl, Acting Head of School said, ***'Year 11 have worked very hard to achieve excellent GCSE and BTEC results. For five long years, our year 11 pupils have persisted in their efforts. They have sat countless tests which have helped them refine their examination techniques and they have also seized every opportunity to attend additional revision sessions in an effort to achieve to the very best of their ability. They can be very proud of themselves and I am very pleased that the great majority have decided to continue their academic journey here at Bishop Walsh when they join our Sixth form in a couple of weeks' time'***.

As with everything we do at Bishop Walsh Catholic School, we believe in working as an extended family for the greater good of the pupils in our care. The success of our year 11 pupils is not only down to their hard work, but also the dedication and support of our teachers, teaching assistants, mentors, parents, Governors and Board of Directors, who all work tirelessly to nurture the God given talents of every young person who attends our school.
